Game Overview:

Ace Racer is an innovative racing game featured with various real cars from legendary car manufacturers, as well as surreal cars with a range of customizations. The game modes include practice, ranked race, duo rally, transformation tussle and so on. In ranked race for teams, players are able to choose different roles like speedster, supporter, and interceptor to perform a perfect team collaboration.

Highlights of in-game experience

- a) **Drift with unique ultimate:** every car has its unique Ultimate, players can flash through walls, transform while driving and drift with high-speed. The spectacular special effect of cars' ultimate can provide players with luxurious visual enjoyment.
- b) **Multiple fascinating tracks:** players can drag unlimitedly in multiple real tracks around the world. City, Countryside, Dessert, Forest and Northern Lands are all of your choices! Without going out, players can also visit the beautiful scenery in famous tourist attractions. Moreover, the combination of real-life tracks and futuristic special effects of car ultimate brings unique driving experience.
- c) **Fancy outfits for characters & in-depth customization of cars:** cars can be collected and also be customized. Join Ace Race and build your own unique characters and cars.
- d) **Experience thrilling racing battle in 1 minute!** Players can make good use of spare time to complete one round of racing. And it's also easy for all ages to start their trips.
